

# Andrea Wood

Moore, OK  
1-814-651-1161  
awood@larsontexts.com

Andrea is a National Math Consultant for Big Ideas Learning. She brings 5 years of experience as a K-12 mathematics coordinator and 9 years as an elementary and middle school teacher. As a mathematics coordinator, part of Andrea's roll was to mentor and coach new teachers, provide professional development tailored to site-specific goals, and help teachers implement new state standards and curriculum. As a National Math Consultant, she travels nationally to provide presentations, trainings, and support for teachers.

Andrea holds a Bachelor of Arts in Elementary Education from the University of Science and Arts of Oklahoma with a middle level certification and a Master of Education degree in Curriculum and Instruction with an emphasis in Mathematics Education from the University of Texas at Arlington.
