

# Erin Ross

San Antonio, TX  
814-737-9829  
eross@larsontexts.com

Erin Ross is a National Mathematics Consultant with Big Ideas Learning. Erin is a math content expert and has 8 years of classroom experience teaching math. Erin travels nationally supporting teachers and providing training on *Big Ideas Math* curriculum and resources.

While in the classroom, Erin taught elementary and middle school math as well as Algebra 1 and Algebra 2. She also served as field trip coordinator, Language Proficiency Assessment Committee member and the general education teacher for co-taught special education inclusion classes. Eventually Erin took on the role of Math Intervention Coordinator, organizing intervention resources for teachers and leading professional development on implementation strategies.

Erin holds a Bachelor of Science Degree in Mathematics and Bachelor of Arts degree in Spanish from the University of Pittsburgh. She earned a Master of Science Degree in Education from Johns Hopkins University with a focus on data driven education.
