

# Mary Betz

Royersford, PA  
1-814-897-6702  
mbetz@larsontexts.com

Mary is a National Educational Consultant with Big Ideas Learning, servicing primarily schools in the North East region of the US. Her background includes teaching experiences in Emotional & Behavioral Support, Learning Support, Autism & Intellectual Disability Support, and classroom instruction. Mary has taught in Pennsylvania, Delaware and Virginia, in Public, Private Academic and Approved Private School settings.

Mary's educational background includes a Bachelor's of Science in Education from Millersville University, and a Masters of Education from Arcadia University, in Glenside, Pennsylvania. Areas of certification include Elementary K-6, Special Education K-Adult, Reading Specialist, English as a Second or Other Language, as well as Middle School Math, English and Science.

Mary is eager to use her teaching experiences to foster meaningful and helpful conversations with schools and teachers about how Big Ideas programming can help to improve and extend meaningful math learning for their students.
