As an Educational Consultant for Big Ideas Learning, Rodnee travels throughout the state of Florida introducing Big Ideas products and the positive impact that it can have on schools and their districts. She is dedicated to developing and nurturing solid relationships amongst district employees, principals, support staff, and teachers.

During her 15 years as an educator, interventionist, and library media specialist from the 6th largest district in the U.S., Rodnee has taught at both elementary and middle school levels. She has made a lasting impression on students using relevance, rigor, and relationships to leverage their utmost potential in the classroom. She has also served as team leader, tech liaison, and TIM (Technology Integration Matrix) Observer for Broward County Public Schools. Rodnee has written several successful grants for classroom student-centered learning opportunities, provided high-level professional development for teachers and has created training and teaching deliverables using media/technology sources.

Rodnee holds a Bachelor of Science in Elementary Education from Barry University and a Master of Science in Reading Education K12 from Nova Southeastern University.
