Lee's Summit, MO  
1-814-440-8666  
rwebber@larsontexts.com

Russ Webber is a National Math Consultant with Big Ideas Learning. In addition to introducing teachers and administrators to the *Big Ideas Math* textbook series, Russ provides implementation on series resources and technology, and provides Professional Development to teachers on a variety of topics developed by *Big Ideas Math*.

Russ received a Bachelor of Science degree in Elementary Education, a Bachelor of Science degree in Secondary Math Education, and a Master of Science degree in Secondary Administration from the University of Central Missouri. He has over 250 undergraduate and graduate hours in the field of education. His teaching experience includes teaching high school math in his hometown at Lee's Summit High School and Lee's Summit West High School. He has also taught at Frontier School of Excellence, a 6-12 Charter School in the inner-city of Kansas City, MO. During his tenure at all three locations, Russ served as Lead Teacher, Department Chair, and on numerous curriculum and instruction committees for the school districts.
